## Nature fresh, squeezed juice for a healthy lifestyle

Rich in vitamins, nutrients, enzymes, minerals and fiber, preserved in a natural and tasty way

### Squeezing not grinding, preserves natural flavor and nutrition

Innovative Slow Squeezing System extracts juice at a low RPM so as not to disrupt the cellular structure of fruits & vegetables. This prevents oxidation and separation of juices and produces 100% living juice overflowing with essential vitamins, nutrients and enzyme.

### SLOW JUICER

SA 4016  
MRP ₹ 13,990

- Retains vitamins & minerals with low RPM speed
- Silent noiseless operation
