PET JAR & JUG

Companion for life...

For over two decades, one internationally recognized name has been bringing out products that are not only contemporary but also enhance the lifestyle of its users. Each product speaks volumes about the depth of research and the strength of perfection, and makes Cello the preferred brand. Only Cello offers an unmatched range of plastic polyethylene terephthalate (PET), & polypropylene (PP), water bottles, pet jar/ jugs/ canisters with world-class designs made from Japanese technology at its ultramodern plant in Daman.

The world acknowledges its outstanding quality that has always set new levels of excellence. After years of research, Cello has developed unique, leak proof, break-proof, 100% food grade, and hygienic products, which gives Cello the real winning edge. No wonder, today, over 6 million families in India and millions around the world have made Cello an integral part of their lives.

After all, when you find love and joy in abundance, you can rest assured that there's Cello nearby - a constant companion for life.
